Rockville Earns Spot on National 'Best Cities for Families' List

The City of Rockville has been recognized as one of the 10 best cities for families in the United States, based on a study by the website Livability.com.

The study examined census, consumer spending and school data, among other factors, to determine the rankings. Rockville ranked 9th overall and was recognized for having the lowest crime rate of the cities in the top 10 as well as being "most walkable." Livability surveyed more than 2,000 cities to come up with its top 10 list.

Livability also ranked Rockville as one of the country's best places to live in 2013. The site gave a nod to Rockville Town Square, the library, Croydon Creek Nature Center and the Millennium Trail in its most recent ranking. It added, "The city keeps the playgrounds, walking trails and athletic fields in great shape, and families often utilize these amenities."

Safety Increased Due to Speed Cameras

Fewer Citations Mean Safety is Up, Program Revenue is Down

Rockville's speed camera program "continues to be effective, efficient, fair and a true benefit to the safety of all," the city's police chief wrote in a summary of a report showing speed citations and collisions continued a downward trend during 2014.

"Drivers are changing their behaviors and roads around neighborhoods and schools are safer," Chief T.N. Treschuk wrote in a summary of the recently released report.

The program, authorized by the Maryland General Assembly, allows municipalities to use speed cameras on residential roads and in school zones where the posted speed limit is 35 mph or less and issue tickets when vehicles are traveling at least 12 mph over the limit.

Since the program's inception in 2007, the city's photo enforcement zones have experienced a 50 percent decrease *continued on pg. 2...*

Rockville City Hall Closed July 3

Other City Facilities Will Be Closed July Fourth

Rockville City Hall will be closed Friday, July 3, in observance of Independence Day. Most other Rockville facilities will operate as usual.

Parking fees at city-owned meters will be suspended on Friday, July 3 and Saturday, July 4.

Recycling, yard waste and refuse collection will not be affected.

The Rockville Senior Center will be closed Friday, July 3 and will open for its normal hours on Saturday, July 4.

Lincoln Park, Thomas Farm and Twinbrook community centers and Croydon Creek Nature Center will open on their normal schedules on Friday, July 3 and will be closed on Saturday, July 4.

The Rockville Swim and Fitness Center will operate on a normal summer schedule on Friday, July 3 and Sunday, July 5 and will close at 6 p.m. on Saturday, July 4. Summer hours for individual swim center facilities can be found at www.rockvillemd.gov/swimcenter.

F. Scott Fitzgerald Theatre and the box office will be open for its normal hours (2-7 p.m.) on Friday, July 3 and will be closed on Saturday, July 4. Tickets are available anytime at www.rockvillemd.gov/theatre.

Rockville Civic Center Park offices, including Glenview Mansion and the Glenview Mansion Art Gallery, will be closed on Friday, July 3 and Saturday, July 4. ✦

Runners Take Your Mark!

Twilight Runfest and Block Party is Evening of July 18

Lace up your sneakers and make your way to Rockville Town Center on Saturday, July 18, for an evening of running, walking and celebrating summer at the 30th annual Darcars Rockville Rotary Twilight Runfest.

The runfest welcomes people of all ages and skill levels and offers participants a choice of races

to enter – the 8K (with a wheelchair division) or the Family Fitness Run/Walk (choose from a 1K or 2-mile route). Races start at 8 and 8:45 p.m.

Runners and walkers will race from Rockville Town Center through Rockville's neighborhoods and finish back in town center with a block party.

Festivities include:

- Pre- and post-race music by Lloyd Dobler Effect
- Post-race refreshments and drinks for runners
- Awards

Proceeds from the race benefit the Rockville Recreation Fund and Rockville Rotary Foundation. The Rec Fund provides about \$50,000 each year in financial support to people who would otherwise not be able to participate in city recreation programs, with the bulk of that money raised through the Twilight Runfest.

Learn more and register for the race at www.rockvillemd.gov/twilightrunfest. ✦

Enjoy Fireworks, Live Music and Community Spirit on July 4

Rockville's Independence Day celebration will be held from 7-10 p.m. on Saturday, July 4 at Mattie J.T. Stepanek Park, 1800 Piccard Drive, in the King Farm neighborhood. (Rain date: Sunday, July 5.)

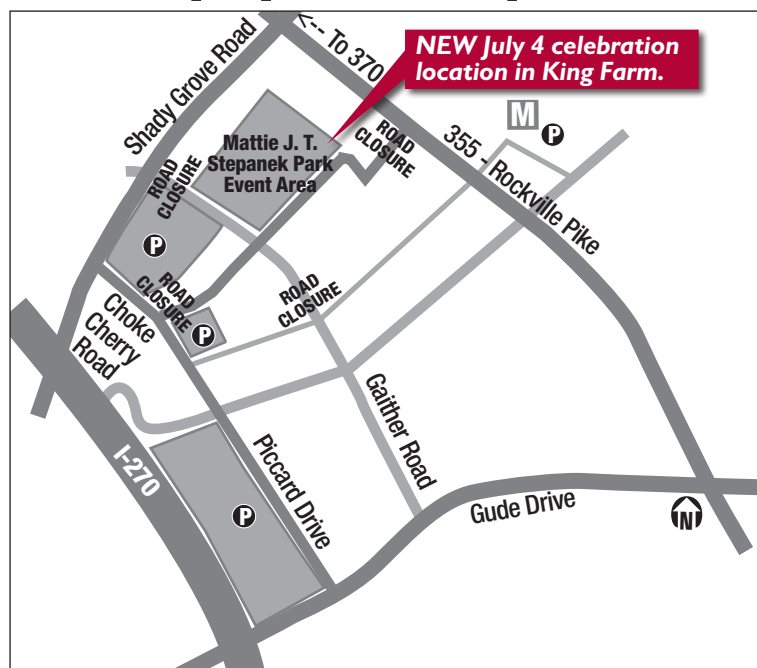

Attendees are welcome to bring blankets, lawn chairs, and food and beverage. There will be food for sale by vendors.

- **7 p.m.** – Music begins on two stages with The Nighthawks, Fugitive Brass Band and Rockville Concert Band.
- **8:45 p.m.** – Welcome from the Mayor and Council and the national anthem, followed by more live music.
- **9:15 p.m.** – A 20-minute fireworks display begins.

The new location includes free, easy access and ample parking (with convenient exits) within a short walk of the fireworks viewing areas. The Shady Grove Metro station is a 1-mile walk from the park (see map).

Parking will be available in lots bordered by Shady Grove Road, Gaither Road, Choke Cherry Road and Piccard Drive. Several road closures are planned, and with visitors exiting onto main roads such as Route 355 and Shady Grove Road. Rockville police will direct traffic before and after the event.

Report Gives High Marks to Rockville's Water Quality

Includes Results from EPA Monitoring

Rockville's drinking water continues to be safe, the city's Department of Public Works said in the Annual Drinking Water Quality Report released July 1.

The report details the source, treatment, distribution, safety and quality of Rockville's drinking water. Once again in 2014, Rockville's drinking water met or exceeded all drinking water quality regulations set by the Environmental Protection Agency (EPA) and adopted and enforced by the Maryland Department of the Environment (MDE).

Like all drinking water utilities serving more than 10,000 people, the city was required to perform quarterly testing for a year for 21 unregulated contaminants under the EPA's Unregulated Contaminant Monitoring Rule. The testing, the results of which are found in the report's Water Quality Data Table, helps the EPA determine whether any of the contaminants need to be regulated to protect public health.

Learn more about the source and quality of Rockville's drinking water by viewing the full Annual Water Quality Report at www.rockvillemd.gov/annualwaterquality2015. To speak with someone about the report, call 240-314-8556.

Change Calls for Buffers Between Homes and Industrial Areas

Mayor and Council Back Landscape Buffers in Zoning Ordinance Revision

Developers will be required to plant landscaping and trees when new construction in Rockville's industrial zones abuts residential property, under a change to the city's zoning ordinance approved by the Mayor and Council in May.

The landscape buffers are intended to enhance the setback areas between buildings by creating a visual and noise buffer to shield existing residences that abut industrial areas.

The approved change will be reflected in the city's "Landscaping, Screening and Lighting Manual." Additional proposals to lessen the effects of industrial sights and sounds on residential property may be identified by the city's ongoing Southlawn Industrial Area Feasibility Study.

Community members may learn more about the study, and participate, by signing up to receive updates and providing feedback on a comment form at www.rockvillemd.gov/southlawnstudy. Meetings to discuss study findings and present recommendations and redevelopment scenarios will be held beginning in September.

Find video of the Mayor and Council's vote, and more information about the landscape buffers, with the May 18 agenda at www.rockvillemd.gov/agendacenter.

Safety in the City

Safe Speed Program

in the number of vehicles exceeding the speed limit by at least 12 mph and a 35 percent decrease in the number of collisions. The number of citations issued dropped from 39,091 in 2013 to 33,925 in 2014, part of an overall 28 percent decrease since 2011. Meanwhile, there were just eight reported vehicle crashes – none of them fatal – within a half-mile of any of the city's fixed pole camera sites in both 2013 and 2014.

A byproduct of the success in reducing speeding and increasing safety is shrinking revenues. In Fiscal Year 2013 (July 1, 2012-June 30, 2013), revenues in excess of operating expenditures totaled \$305,069. That number fell to \$230,733 in Fiscal Year 2014.

In accordance with state law, excess revenues generated by the program are earmarked for pedestrian safety improvements. Rockville has used speed camera revenue for:

- Accessible pedestrian signals
- Bridge rehabilitation
- Eight upgraded traffic control signals on Redland Boulevard (three); East Jefferson Street (two), Nelson Street (one), Tower Oaks Boulevard (one) and Baltimore Road (one)
- New Americans with Disabilities Act-compliant sidewalk ramps in Twinbrook and along South Stonestreet Road
- Sidewalks
- Streetlight improvements

has never been the goal of the speed camera program," Treschuk said. "Due to the program's proven success in reducing excessive speeding on our roadways, we foresee continuing it for the near future."

Rockville operates 17 speed cameras within the

city limits, including eight portable camera units and two mobile speed vans.

Rockville's Neighborhoods Get a Night Out

National Program Offers a Chance to Meet Neighbors, Learn About Crime Prevention

Rockville neighbors are invited to an evening of community togetherness on Tuesday, Aug. 4 for the Rockville City Police Department's celebration of National Night Out.

Neighborhoods host block parties with cookouts, moon bounces, giveaways, carnival games, prizes and a chance to spend time with neighbors.

National Night Out is a longstanding program sponsored by the National Association of Town Watch that aims to raise awareness about crime and drug prevention, generate support for anti-crime programs and strengthen community spirit and community policing partnerships.

McGruff the Crime Dog will stop by several of the scheduled block parties to spread his anti-crime and anti-drug message. The Rockville Mayor and Council, RCPD officers and members of the Montgomery County State's Attorney's Office also

will visit many of the block parties.

Residents are invited to turn on outdoor lights as part of the traditional display of front porch vigils, sending the message to criminals that neighborhoods are fighting back against crime.

Neighborhoods can register their own block party through Friday, July 31. For more information, visit www.rockvillemd.gov/nno, or to register your block party, contact Cpl. Ken Matney at 240-314-8922 or kmatney@rockvillemd.gov. ❖

Citizens Police Academy Shows What it Takes to Be an Officer

Eight-Week Course Includes Looks at Crime Scene Processing and Investigations

Residents have the opportunity to go behind the badge this fall with the Rockville Citizens Police Academy. Participants 18 and older will learn about all aspects of the police department, receive hands-on training and earn a graduation certificate upon course completion.

The Rockville City Police Department is accepting applications for the upcoming academy. The free, eight-week course runs Oct. 6-Nov. 24 and will meet Tuesday evenings at a yet-to-be finalized location in the city.

Topics include:

- Crime scene process
- Firearms training simulations
- K9 unit demonstrations

- Traffic law
- Detectives and investigation
- Bomb Unit

For more information and registration, email Cpl. Ken Matney at kmatney@rockvillemd.gov. Registration is open until the academy start date.

Mayor and Council Adopt \$123.4 Million Budget Property Tax Rate Remains Constant for the Eighth Consecutive Year

Rockville residents will pay the same property tax rate in Fiscal Year 2016 as they did last year, after the Mayor and Council approved a budget in May that keeps the property tax rate steady for the eighth consecutive year.

Rockville's FY16 operating budget equals \$123.4 million. The budget represents a 4.6 percent, or \$5.4 million, increase over the Fiscal Year 2015 budget. The general fund budget, the fund that supports the largest portion of the operating budget, equals \$74.6 million, an increase of 6.0 percent. The 2016 fiscal year begins July 1 and ends June 30, 2016.

Property tax rates will remain \$0.292 for real property and \$0.805 for personal property. Both of these rates are per \$100 of assessed value. The FY16 budget continues the city's supplement to the State of Maryland's Homeowner's Tax Credit, which provides real property tax credits to low- to moderate-income homeowners for taxes due on their principal residence.

The adopted budget includes increases to average residential utility bills, under plans previously approved by the Mayor and Council. The budget also includes an increase of \$21 per year for recycling and refuse services.

Based on the adopted FY16 rates, the average annual residential bills for city utilities for a family of four will increase by \$40.25.

The budget maintains current city programs and services and gives a 2 percent across-the-board adjustment for all regular city employees. It does not include the compensation and classification changes that the Mayor and Council continue to discuss.

In order to show the city's commitment to funding a new compensation and classification system, the Mayor and Council set aside \$1.2 million in general fund reserves. This committed amount will be recognized through a budget amendment when final decisions are made on compensation and classification. Budget amendments

Rockville Utility Rates

Based on the FY16 rates, average annual residential expenses for city utilities for a family of four will increase by \$40.25 for the year, an increase of 2.9 percent over the Fiscal Year 2015 average.

The Capital Improvements Program (CIP), the city's five-year plan for funding new construction and infrastructure maintenance, includes \$25.3 million in new funding, combined with a carryover of \$38.3 mil-

lion, to support 56 projects, including:

- Stabilization and rehabilitation of the King Farm Farmstead dairy barns
- Pedestrian safety initiatives and sidewalks
- Vehicular bridge repair

Animal Control Changes Affect Cats and Dogs, Allow Chickens

These changes to the city's animal control ordinance were approved by the Mayor and Council in June and take effect July 1:

- **Licensing:** Any dog, cat or ferret over 4 months old must be licensed and, when off premises, wear a tag and collar, unless they are microchipped.
- **Tethering and sheltering:** Changes specify the weight, length and types of tethers that can be used and require, for animals kept outdoors, a weather-proof shelter that allows the animal to stand up and turn around inside.
- **Off-leash:** The city may create an off-leash area for dogs in a public recreation

area.

- **Trap-neuter-return program:** Animal rescue or welfare organizations and animal control may establish a trap-neuter-return program for feral cats that includes vaccinating the cats against rabies when they are trapped and neutered.
- **Chickens:** Up to five female chickens (no roosters) may be kept for each single-family dwelling (no multi-family dwellings or townhouses) after obtaining a \$25 annual permit and providing written notice to neighbors. Chickens must be kept in predator-proof coops and cages that are at least 5

feet from the property line and 40 feet from adjacent homes. Coops and outdoor enclosures must be kept sanitary.

- **Fees:** Updated fees include a licensing fee for dogs, cats and ferrets of \$1 per month (altered) or \$2 per month (unaltered). Lower fees are available for senior citizens, disabled people or those on public assistance.

Residents in homeowner associations are advised to consult with their association for rules and regulations that supercede the city's animal control ordinance. Learn more at www.rockvillemd.gov/animalcontrol. ✚

IN BRIEF

School Capacity Standards Changed

A change to the city's Adequate Public Facilities Standards (APFS) makes the city's methodology and standards for evaluating school capacity consistent with those of Montgomery County.

The Mayor and Council voted June 1 to approve the change. The standards are designed to ensure adequate public facilities are in place to serve new residential development. The school standard change was proposed to make the city's enrollment and capacity calculations and standards consistent with those of Montgomery County Public Schools (MCPS) and Montgomery County, which operate and budget for school facilities countywide, respectively.

To view the June 1 Mayor and Council vote, or for more information, visit www.rockvillemd.gov/agendacenter and select the television icon and/or materials next to the meeting date.

Upcoming Mayor and Council Agenda Items

July 13:

- A discussion and possible adoption of proposed changes to the city charter changing the title of the city clerk/treasurer to city clerk/director of operations and giving the city clerk and city attorney authority over all personnel matters in their respective offices.
- Introduction and possible adoption of amendments to Chapter 8 of the City Code, entitled "Elections," which would allow for early voting and other election changes.

July 20:

- A presentation by members of the District 17 delegation, recapping the 2015 Maryland General Assembly session and previewing the 2016 session.
- A discussion of prohibiting smoking in selected outdoor spaces.
- A public hearing on proposed changes to the Forest and Tree Preservation Ordinance and Forest Conservation Manual.
- A public hearing on Rockville's upcoming application for Community Development Block Grant (CDBG) funds.

Aug. 3:

- A presentation of the 2014 White-tailed Deer Management Report.

Meetings are at 7 p.m. on Mondays at City Hall, 111 Maryland Ave. The Mayor and Council are not scheduled to meet July 6 or July 27. Following the Aug. 3 meeting, the Mayor and Council are scheduled to recess until Sept. 14.

Agendas are subject to change. Find agendas, meeting minutes and video on demand at www.rockvillemd.gov/mayorcouncil.

IN AND AROUND ROCKVILLE

Public Invited to Help Establish a Rockville Science Center

A series of community brainstorming sessions to develop a plan for creating a brick-and-mortar facility for the Rockville Science Center continues in July. It is not too late for community members to get involved and show support.

Meetings are planned for July 11 and 25 at locations to be determined. Refreshments will be served. To attend a brainstorming session, email RSC2.0@rockvillesciencecenter.org.

During brainstorming sessions in May and June, community members offered advice on facilities, programs and financing. Ideas are being collected using GroupMap software, which allows each session to build upon the previous ideas. Organizers expect to share their results during a communitywide open house in September.

Mayor and Council to Hold Hearing on Annual Housing Grants

Applications for Community Development Block Grants Due in August

The City of Rockville will begin the process this summer of allocating Community Development Block Grant (CDBG) funds for Fiscal Year 2017.

The CDBG program is a federal grant for housing and community development projects that must benefit low- and moderate-income persons. For the past couple of years, the city has prioritized CDBG funding for capital improvement projects. For example, CDBG funds have been used to rehabilitate housing for low- and moderate-income residents.

This has included rehabilitation funds for public housing units in the city, as well as the city's Single-Family Rehabilitation Program, which provides forgivable loans to low- and moderate-income residents to make critical repairs to their homes. A portion of the funds has also been dedicated to renovations of group homes for individuals with severe mental illness and to a residence for formerly homeless men.

The city will hold a public hearing on community needs on July 20 and begin a competitive grant application process for nonprofit organizations and government entities to apply for funds. The grant application will be posted at www.rockvillemd.gov/cdbg in early July and will be due in August. Proposals will be reviewed and prioritized by city staff and forwarded to the Mayor and Council for their review and approval this fall.

Interested community members and organizations should check Mayor and Council meeting agendas in July at www.rockvillemd.gov/agendacenter and visit www.rockvillemd.gov/cdbg for updated information on the grant application.

City Hosts 'Rockville 2040' Listening Sessions

What Do You Want Rockville to be Like in 2040?

The city is updating its 2002 Comprehensive Master Plan, which describes the vision for the city's future.

The plan's goal is to preserve and improve the quality of life in Rockville

by guiding development and conservation, and assuring the city's ability to provide high-quality community facilities.

Community members, businesses and others are invited to get involved in Rockville 2040 – the process to update the master plan -- and express their vision for the community's future.

The city will host listening sessions, throughout Rockville over the next few months, at which city staff will share informa-

tion about the master plan update and hear views regarding the future of Rockville neighborhoods. Stop by a session to learn

more about Rockville 2040 and to share thoughts on your area of the city and Rockville as a whole.

The schedule of listening sessions and more Rockville 2040 information is at www.rockvillemd.gov/rockville2040, where you can also sign up to receive email updates on the master plan update.

Rockville Undertaking Study of Southlawn Industrial Area

A new study seeking to identify possible land use and traffic solutions to lessen the impact of industrial uses on the city's nearby east side neighborhoods kicked off this summer, and the public is invited to participate.

All are welcome to attend the following meetings, on exact dates still to be determined:

- **September:** Preliminary Report of Data Analysis and Findings
- **October:** Recommendations
- **November:** Redevelopment Scenarios
- **December:** Revised Recommendations
- **January:** Final Recommendations

Visit www.rockvillemd.gov/southlawnstudy for meeting dates, times and locations as they are scheduled, and to receive updates. Community members are also invited to share their

thoughts on the study area via a comment form on the same page.

The study area covers 101 acres west of Gude Drive and First Street, north of Lincoln Street, south of Lofstrand Lane and east of North Horners Lane. The area overlaps three master plan areas: Southlawn/RedGate, East Rockville and Lincoln Park.

The study will investigate possible short- and long-term solutions in the city's master plan and neighborhood plans, such as:

- Assessing potential non-

industrial uses as redevelopment occurs and identifying appropriate light industrial uses.

- Reassessing traffic patterns and the road network to reduce truck traffic through the neighborhoods.
- Identifying compatible

height, size and scale of new development as compared to the existing neighborhoods.

News You Can Use

City Earns National Recognition as a Great Place to Play

Mayor and Council Proclaim July as 'Recreation and Parks Month'

Rockville recently added a second consecutive "Playful City" recognition to its growing list of accolades.

The city was one of 241 communities honored by the KaBOOM! Playful City USA program. The national program honors cities, towns and communities across America that are working to ensure all children have easy access to balanced and active play in their communities.

In addition to Rockville's "Playful City" designation, the city has received recognition from other national organizations for its commitment to high quality recreation and parks programs. The city is a:

- "Let's Move! City," designated by First Lady Michelle Obama's Raising a Healthier Generation of Kids Campaign
- "Healthy Eating Active Living (HEAL) City," designated by the Institute for Public Health Innovation
- "Tree City USA" (26 consecutive years), designated by the Arbor Day Foundation

The Mayor and Council's support of these programs continued with their proclamation of July as "Recreation and Parks Month" in Rockville, celebrating all the ways that the city's recreation programs, parks and facilities make life better for the community. Nearly 9 in 10 city residents ranked Rockville's athletic fields, recreation centers, recreational programs, special events and programs for seniors as "excellent" or "good" in the most recent Community Survey (2014).

As part of this monthlong celebration of Recreation and Parks, the city is recognizing

a few of its partners who help to ensure residents and visitors have high quality recreation programs and participant fees at moderate levels. They include:

- The Rockville Recreation and Parks Foundation, whose mission is to financially support recreation and parks activities and facilities
- The Montgomery County Road Runners Club, which provides assistance to the city's youth sports programs, the Rockville Rotary Twilight Runfest and the Rockville 10K/5K
- EU Services, which has supported programs and services and provided scholarships at Rockville's Lincoln Park Community Center for more than 20 years

In addition, the Rockville Recreation Fund provides about \$50,000 each year in financial support to Rockville residents who would otherwise not be able to participate in city recreation programs. Proceeds from the Twilight Runfest are the main source of support of the Rec Fund. (See the article on page 1 for information about this year's Twilight Runfest).

The man behind a great deal of the fundraising for the Rec Fund is the Rotary Club's Alan Tetervin. Tetervin has been the lead fundraiser for the Twilight Runfest for more than 10 years, raising more than \$500,000 for the Rec Fund during that time.

Swim Center's South Pool Renovations to Start Soon

A major improvement project to replace the pool deck and heating, ventilation and air-conditioning (HVAC) system in the Rockville Swim and Fitness Center's indoor south pool is expected to get underway this summer.

The \$2 million project is the first major renovation to the South Pool since it was built in 1968. Although the project will come with short-term alterations to the swim center's pool use schedule, the improvements

will give swimmers a better experience at the facility in the long run.

Staff at the swim center are sending periodic updates on the project to the center's "Notify Me" email list. You can sign up at www.rockvillemd.gov/swimcenter.

Rockville residents interested in running for mayor or a council seat may view the candidate information packet online at www.rockvillemd.gov/election15 or pick up a copy from the City Clerk's Office. The deadline to file as a candidate is Friday, Sept. 4.

The 2015 election will see three key changes:

Four-Year Term: For the first time, Rockville voters will elect a Mayor and Council to serve a four-year term. This change was favored by a majority of voters in a 2013 ballot question and then enacted by the current Mayor and Council. After 2015, the next city election will take place in 2019.

New Voting Machines: Rockville is the first com-

munity in Maryland to pilot a new optical scan voting system, which allows voters to feed their hand-marked paper ballot into an optical scanner for tabulation. The new system is used by many other states and will be implemented throughout Maryland in April 2016.

District 7 Polling Place Moving: Residents in the city's District 7 voting area (roughly west of I-270 and south of Route 28) will no longer vote at Ritchie Park Elementary School. The new polling place will be at the Latvian Lutheran Church, 400 Hurley Ave.

Planning Commission Continues Work on 'Rockville's Pike Plan'

"Rockville's Pike Plan," the city's plan for land use, transportation, parks and other topics along a key 2-mile stretch of the Rockville Pike corridor, is being updated for the first time since 1989.

The city's Planning Commission has been discussing comments shared by the Mayor and Council. The commission formed a subcommittee to address the plan's language on maximum building heights, a key topic raised by the Mayor and Council.

Subcommittee meetings and commission meetings are open to the public. Agendas will be posted at www.rockvillemd.gov/agenda center and www.rockvillemd.gov/rockvillespike as meetings are scheduled.

After the Planning Commission completes changes to the plan, it will forward the final version to the Mayor and Council for possible adoption.

Read the Mayor and Council's comments on the draft plan in the Planning Commission's April 8 agenda at www.rockvillemd.gov/agendacenter. Planning Commission meetings are broadcast on Rockville 11 (cable channel 11) or live streamed at www.rockvillemd.gov/rockville11.

Read the draft plan or its nine-page executive summary at www.rockvillemd.gov/rockvillespike. Hard copies are available for review at City Hall, the Rockville and Twinbrook libraries and Rockville community centers.

Fall Recreation Registration Opens in August

Rockville's Fall Recreation Guide will be available Friday, Aug. 7 at www.rockvillemd.gov/guide. Registration for classes, programs and trips featured in the fall guide opens Thursday, Aug. 13. Disfrute de los fuegos artificiales, música en vivo y el espíritu de la comunidad el 4 de julio

La celebración del día de la Independencia en Rockville contará con música en vivo y fuegos artificiales de 7 a 10 p.m. el sábado, 4 de julio en Mattie J.T. Stepanek Park, 1800 Piccard Drive, en King Farm. (la fecha alterna si llueve es el domingo, 5

de julio) Encuentre información sobre el estacionamiento y más en www.rockvillemd.gov/independenceday o por correo electrónico specialevents@rockvillemd.gov o llame al 240-314-8620.

Los vecindarios de Rockville tendrán una velada

Los vecindarios serán anfitriones de fiestas de barrio como parte de la celebración de la Velada Nacional del Departamento de Policía de la ciudad de Rockville

el martes, 4 de agosto. Este programa de larga duración crea conciencia acerca de la prevención de la delincuencia y drogas, genera apoyo para programas de lucha contra la delincuencia y fortalece el espíritu de la comunidad y las asociaciones de colaboración ciudadana. Obtenga más información en www.rockvillemd.gov/nno.

El Alcalde y el Consejo adoptan un presupuesto de \$123.4 Millones

El Alcalde y el Consejo aprobaron en mayo un pre-

supuesto operacional de \$123.4 millones

para el Año Fiscal 2016 que mantiene la misma tasa de impuesto sobre la propiedad por octavo año consecutivo. El promedio anual de las facturas residenciales para los servicios públicos para una familia de cuatro se incrementará en un \$40.25. El Programa de Mejoras Capitales (CIP, por sus siglas en inglés), el plan de cinco años de la ciudad para financiar nueva construcción y mantenimiento de la infraestructura, incluye

\$25.3 millones en fondos nuevos para apoyar 56 proyectos, entre otros, la rehabilitación de los establos lecheros de King Farm Farmstead, aceras nuevas y la reparación de un puente vehicular. Para obtener más información visite www.rockvillemd.gov/budget o llame al 240-314-8400.

Rockville se compromete a un estudio del área industrial de Southlawn

Este verano dio inicio un estudio de posibles soluciones para disminuir

el impacto de usos industriales en el este de la ciudad. El público está invitado a participar en las reuniones públicas en septiembre, las cuales todavía no se han programado. El estudio cubre 101 acres al oeste de Gude Drive y First Street, al norte de Lincoln Street, al sur de Lofstrand Lane y al este de North Horners Lane. IN BRIEF

Go Solar with Rockville's Solar Co-op

The Rockville Environment Commission's efforts to organize a neighborhood solar co-op are making progress.

The Environment Commission is planning a meeting in late July to provide an update on the co-op's progress and details about how to join. The co-op plans to select a contractor in July, but it's not too late to join. Look for meeting details and more information at <http://mdsun.org/rockville> or email solarteam@mdsun.org.

By going solar together, participants save up to 25 percent on the cost of a rooftop solar system and have the support of the group throughout the process. Participants negotiate a group discount and receive technical assistance and guidance throughout the process.

Learn more at www.rockvillemd.gov/solar homes or find Rockville 11's report from a recent information session by visiting www.rockvillemd.gov/youtube and searching for "Rockville Solar Co-op."

Neighborhood Notes

Meet Your Neighbor: Jazz Musician Terry Marshall

NAME: Terry Marshall

OCCUPATION: Professional musician

WHY HE'S A NEIGHBOR YOU NEED TO KNOW: His passion led him to pursue a career in music. Hard work made that career a reality for this 10-year Rockville resident.

Marshall, a 10-year resident of Rockville. "I feel safe here, I feel comfortable... The city services are really, really good. I really enjoy the conveniences. I really enjoy everything about the city. It's a really nice place to live."

With technology making it easier than ever for musicians to record, distribute and promote an album on their own, Marshall self-released his CD, turning down offers from record labels. "I could do better than all that stuff," he said.

Why he's Rockville:

"I love the schools, my daughter's at Beall Elementary," said

Marshall's daughter was his inspiration for a song he wrote, which is a unique samba in 3/4 time and is his favorite song to play. "It just gives you a real exciting way to play jazz in three."

How he's motivated:

"With music, the thing is, if you're able to and willing to do the work part of it – if you're willing to practice, if you're willing to learn your instrument, if you're willing to deal with the different aspects of the music business, then that's the thing that calls you." ❖
